everyone can eat

About Us

With over 50 years of baking experience, spread across three generations, Nine Bakery & Patisserie uses a dedicated and purpose built facility free from gluten and animal products, to provide the quality of traditional artisan baked goods without the reliance on traditional baking ingredients, instead producing products that far surpass the norm and allow “everyone to eat.”

From staple items such as muffins and carrot cakes, to friands and cookies, no job is too big or too small. We've got you covered.
